Dear Tony,

TESTIMONIAL TO YOUR EXCELLENT SERVICES

Sincere thanks for the excellent work that you did in re-designing and re-building the ProjExc website. We are delighted with the 1st class and professional 'look & feel' of the new site, and have had nothing but positive feedback from those who visited the site.

When I consider the attention to detail and enthusiasm from yourself and Rich in providing exactly what we needed, I am more than confident to say that we will be using your services again, and actively recommending NetSecrets to other businesses.

If you have any client who wants a reference, do pass them my contact details as I would be delighted to take their call.

Yours sincerely

John Williams
